The price below does not include the liners. You can call Sellersburg Company at 812-248-0811 (Karisa Harbin or Bill Neiman).
The liners are from Eagle Paper and the contact person is Tim McDonald (585-4026 or cell 777-8120) the cost is \$75.00, price is subject to fluctuate.

Rob,
Per our conversation, the metal trash receptacles came from Sellersburg Metal and Welding Company in Sellersburg, Indiana. The cost for us was \$525.00 per receptacle which included the design, liner, and installation. I am verifying the cost with the company and will forward it to you when they return my call. I just want to be sure the price has not gone up, we purchased these receptacles last year.

Keith,

What is the cost per trash can? We are looking at ordering 100 total cans and additional liners.

Attached is the photo.

Thanks for your help,
